

Accounting – Interwoven

(10-101-1)

Associate Degree – Two Years

(Offered in Eau Claire and Chippewa Falls)

[Admissions Requirements](#)

[Program Requirements](#)

This program has August and January entry dates

Program Description

The Interwoven Agreement is a partnership agreement between Chippewa Valley Technical College and Lakeland College to offer students the opportunity to complete both an Associate Degree and a Bachelor's Degree in Accounting.

How it Works

Students admitted to the program will be dually enrolled in CVTC and Lakeland College and complete courses with both institutions working toward both an Associate Degree and Bachelor's Degree simultaneously.

CVTC offers a variety of courses in traditional day and evening, hybrid and online formats through the Eau Claire Business Education Center. Classes offered through Lakeland College will be offered at the Chippewa Falls campus including traditional, BlendEd and online offerings.

Applying to the Program

New program codes will be set up for the Accounting-Lakeland Interwoven program. Students submit their application forms to CVTC and pay CVTC's application fees. Lakeland College will waive their application fee. The admissions criteria for these two programs will be the same as the traditional Accounting program. Students accepted to the Interwoven program will receive a joint acceptance letter from CVTC.

For more information on the Accounting program offered at Lakeland, go to: <http://www.lakeland.edu/adult/Undergrad.asp>

Degrees Awarded

Upon successful completion of the program, students will obtain both an Associate Degree from CVTC and a Bachelor's Degree from Lakeland College.

Program Costs

For courses taken through CVTC, students will be charged CVTC tuition and fees. For courses taken through Lakeland College, students will be charged Lakeland College tuition and fees. Overall, getting two degrees with the Interwoven program costs about the same as four years at a state university.

Course Availability

Please check the [searchable course offerings](#) on the CVTC website.

Program Admission Requirements

- COMPASS pre-entry assessment

For detailed requirements, click on the Admission Requirements link toward the top of this page or call one of our Enrollment Assistants at 1-800-547-2882.

Helpful Academic Background

- High school accounting
- Computer literacy
- Mathematics
