

Infant/Toddler Credential Certificate

This certificate is designed for teachers who want to provide quality care to children aged birth to three. The target audience includes child care teachers and family child care providers currently caring for infants and toddlers. Through the coursework required in this certificate, caregivers will become more sensitive to the needs of infants and toddlers

Course #	Course Title	Credits	Prerequisite(s)/Comments
307-122	Programs, Families and Society	3	
307-195	ECE: Family and Community Relationships	3	
307-151	ECE: Infant & Toddler Development	3
