Tuition and fees presented here are approximate costs based on the program sequence on CVTC's Program Planning Sheets and are subject to change. Fees vary according to the term of enrollment and the number of credits.

Some book costs and Special Fees/Tools are based on the prior school year and are likely to change and should be used for estimating only.

FOOTNOTES:

- Each semester fee may include credits assessed and / or earned subsequent to that semester in clinical or other setting.
- These programs admit students every 8 weeks, offering a mix of 8 and 16-week courses.
- Safety glasses required.
- Special fees may include tool boxes, shop/lab coats, safety glasses, parts room deposit, shirts, etc., depending on the program. Most special fees are due the first semester, however, some fees are due in semesters 2, 3, and 4.
- Program meets in 8-week terms.
- Some course offerings available through Internet based instruction.
- Offered Part-time basis and Evenings.
- Weekend offerings.
- Joint program with UW System Schools. Some courses must be taken at a participating University and UW fees may apply. Estimates are based on Wisconsin Technical College System tuition and fee rates of \$142.20 per credit for in-state residents and \$213.30 per credit for out-of-state residents.

NOTE TO OUT-OF-STATE RESIDENTS: 2010-2011 tuition rate for out-of-state residents is \$159.00 per credit. Please note that out-of-state tuition fees do not apply to distance education offerings through our virtual campus. The tuition rate of \$106.00 per credit applies to Wisconsin and Minnesota (Reciprocity Agreement) residents. International students need to contact the Admissions Manager at (715) 833-6245 or email: sbrehm@cvtc.edu.

(For Non-Resident fee and status information, contact CVTC at 715-833-6245 or 1-800-547-2882, ext. 6245)

Please refer to the footnotes for additional fee information.

Transportation Costs: Some programs have required internships or clinical experiences. The sites where students work or practice are off campus and may be in the same community as the College or may be in surrounding communities. Transportation costs to the work site or clinical site will be incurred by the student.
