

Calibration of Hand Tools

Professional Development Seminar. Training geared to the working professional.

Tuesday, March 2, 9 a.m. - 5 p.m.

Wednesday, March 3, 8:30 a.m. - 4:30 p.m.

CRN: 90543, 1.6 CEUs, Cost per Person: \$655

Manufacturing Education Center, Room 150

2320 Alpine Road, Eau Claire, WI 54703

Training Focus:

If you use or calibrate measurement and test equipment, if you're a quality manager, if you audit your company's calibration system, or if you're responsible for ISO compliance – related job training, this seminar is for you.

Chippewa Valley Technical College has partnered with industry experts in metrology and measurement. Productivity Quality, Inc. and Advanced Inspection Services is pleased to bring you: Calibration of Hand Tools

Each student will have the chance to calibrate micrometers, calipers, dial indicators and test indicators and document the results. Gage and standards for use in class will be supplied. Students are encouraged to bring their own instruments such as micrometers, indicators, or calipers to work on.

Proud Training Partners:
