In addition to applying for federal and state grants, you may want to consider applying for student loans (repaid with interest) or work-study (earned as wages) which are considered "self-help". Indicate your choice(s) below:

**LOANS ARE LEGAL OBLIGATIONS. Keep your loans to a minimum!**  
*You will be awarded the maximum amount of loan eligible to you. Before accepting your loan, think about the amount you'll have to repay and the years it will take for repayment. An excellent repayment calculator is located at <http://www2.ed.gov/offices/OSFAP/DirectLoan/calc.html>.*

**Subsidized Direct Loan:** This loan is awarded based on "financial need". The interest on the loan is paid by the federal government while student is enrolled at least half-time and during the six month grace period.

**Unsubsidized Direct Loan:** This loan is not awarded on the basis of need. Student is responsible for interest from the time the loan is disbursed. If interest payments are not made while in school, interest will be added to the principal amount of loan and additional interest will be based on higher amount.

**Work Study:** (CVTC employment) Wages are \$8.50 per hour, not to exceed 20 hours per week.

I do not want to be considered for loans or work-study.
