

Articulation Agreement

_____ effective date _____ sunset date

Chippewa Valley Technical Graduates from Accounting to Management, Business Administration, Strategic Management Information Systems, Human Services Management

**Department: Management – Cardinal Stritch,
 Business Administration – Cardinal Stritch,
 Strategic Management Information Systems – Cardinal Stritch,
 Human Services Management – Cardinal Stritch
 Accounting – Chippewa Valley Technical College**

Chippewa Valley Technical College offers the two – year Accounting program. Cardinal Stritch University agrees to accept the courses from the Accounting program as listed in this agreement for equivalency or direct transfer into Management, Business Administration, Strategic Management Information Systems, and Human Services Management. Graduates who qualify for admission as a transfer student will be granted transfer credit as listed in this agreement.

Eligibility for participation:

1. Meet the general admission requirements to Cardinal Stritch.
2. Earn a minimum of a 2.0 GPA with a C in each course. This will include grades from only those courses that were repeated and resulted in a final grade of C-.
3. Technical College courses taken outside the stipulated program course will be considered but not automatically accepted for transfer.
4. Each institution will annually review the course alignment and confirm with the appropriate designee the continuance of this agreement.
