

General Studies For Transfer Credit

Students sometimes come to Chippewa Valley Technical College to qualify for entrance into a 4-year college/university. To learn which courses your 4-year college/university will accept:

- Use the Transfer Information System (TIS) on the Web (<http://www.uwsa.edu/tis>) to learn which CVTC credits transfer to public 4-year universities in Wisconsin
- Contact the Admissions Office of the 4-year school you wish to enter and inquire about transferable credits.

Please do not assume you “just know” which credits and how many credits a 4-year institution will accept. You **must contact** their admissions office for information about how to be accepted into the college or university and which credits they will accept from CVTC.

Often-requested Admissions Office Telephone Numbers:

UW-Eau Claire Admissions	715-836-5415
UW-Stout Admissions	715-232-1411
UW-River Falls Admissions	715-425-3500
