Section I: COLLEGE OVERVIEW

Chippewa Valley Technical College Overview

Chippewa Valley Technical College (CVTC) was established in 1912 as part of the public school system and became one of sixteen colleges organized as Wisconsin Technical College System (WTCS) in 1968. CVTC's district encompasses an eleven-county area in West-Central Wisconsin. The College's largest campus is located in Eau Claire with major regional centers in Chippewa Falls, Menomonie, Neillsville and River Falls.

CVTC operates under a model of shared governance with responsibility for the operation of the College shared by the Wisconsin Technical College System (WTCS) Board and a local nine-member Board of Trustees. County Board Chairpersons appoint Trustees who serve three-year staggered terms. Trustees are empowered to levy property taxes for facilities and equipment, develop annual budgets, and hire personnel. The College President, Bruce Barker, began his term in 2008.

Mission Statement

Chippewa Valley Technical College delivers innovative and applied education that supports the workforce needs of the region, improves the lives of students, and adds value to our communities.

Vision Statement

Chippewa Valley Technical College is a dynamic partner for students, employers, and communities to learn, train, and succeed.

Values

Commitment

We value all students and their diverse backgrounds. We are committed to their learning and success in a global society.

Trust

We act with honesty, integrity, and fairness.

Respect

We value a safe and cooperative work environment where individuals care for each other and grow through open communication.

Collaboration

We value partnerships with business, government, educational systems, and our communities.

Excellence

We value working together to develop and continuously improve processes that support the creative pursuit of new ideas.

Accountability

We value the resources entrusted to us and will use them responsibly.

Core Abilities

Models Integrity

1. *Develops self-awareness*
2. *Practices personal accountability*
3. *Demonstrates ethical behavior*
4. *Applies quality standards*
5. *Follows sustainable practices*

Thinks Critically

1. *Applies problem solving strategy*
2. *Acquires relevant information*
3. *Uses technology and other resources appropriately*
4. *Evaluates alternatives*
5. *Constructs probing questions*

Communicates Effectively

1. *Adapts communication for audience*
2. *Speaks clearly, concisely, and professionally*
3. *Writes clearly, concisely, and professionally*
