

ENTREPRENEURIAL ASSESSMENT

If you're interested in starting a business or are an entrepreneur interested in assessing your entrepreneurial talents, you are the perfect candidate to take the Entrepreneurial Profile 10 (EP10™). Organizations who support entrepreneurs and start-ups will also discover helpful benefits.

CVTC's Business & Industry Services will help you discover your innate talents for starting and growing businesses. EP10™ provides a common language people can use to discuss what they do best as it relates to starting or growing a business.

Dan Burns is a Gallup®-certified coach dedicated to help you complete the online assessment, interpret results, and facilitate coaching to reach your ultimate entrepreneurial talents.
