Please provide a price quote for items on Tool Kit List

**Quote only the supplies with quantities specified, maintaining the name brand if indicated and the container or size called for.**

QTY	UOM	DESCRIPTION	UNIT COST	TOTAL COST
<b>2019-20 RESIDENTIAL CONSTRUCTION TOOL KITS</b>				
Tools on the quote are to be placed in the totes for delivery. Example: Each student will receive 1 tote with all the tools requested. The 4' levels and framing squares may not fit in the totes, so they can all be boxed together.				
Projected delivery date to Eau Claire is the week of August 5, 2019				
Each tool kit/box needs to have an inventory list checked off by selected bidder verifying each tool kit has been inventoried in box.				
Provide pricing on 24 tool kits per attached list
