Finances

Learn about the financial aid options that can help make college affordable, as well as the payment methods CVTC offers. www.cvtc.edu/paymentoptions

Student Services www.cvtc.edu/studentservices

Academic Advising

Our team is here to assist you in maximizing your potential for educational and occupational success.

Academic Services Learning Center

Our team provides academic instruction, course preparation, and learning support. No appointments necessary!

Career Development

Our team is here to assist you in exploring your career options and teach you the tools to help find a job after graduation.

Student Success Services

CVTC Student Success Specialists assist you in overcoming barriers that many students encounter during their academic career.

Diversity Services

The college views diversity as an essential component of the educational experience of our students and an important indicator of our success in adapting to the dramatic demographic shifts that will occur in the decades ahead.

Disability Services

CVTC is committed to providing equal access to courses, programs of study, services, and activities for students. The college strives to provide all students the same opportunities for success through appropriate accommodations.
