

# ACEN NURSING PROGRAM OUTCOMES & DATA

## End of Student Program Learning Outcomes (EPSLOs)

Upon completion of the practical (LPN) nursing program, the individual will be able to:

1. Integrate Practical Nursing identity reflecting integrity, responsibility and nursing standards
2. Communicate basic information using multiple sources in nursing practice
3. Utilize theoretical knowledge to participate in decision making
4. Apply the nursing process into basic patient care across diverse populations
5. Function as a healthcare team member to provide safe and effective care

## Practical Nursing Program Benchmarks

EPSLOs & Program Outcomes	Program Benchmark(s)	PN Program Recent Results (Spring 2024 Cohort Data)
EPSLO #1	Clinical Evaluation Tool: 90% meet expectations	Goal Met
	ATI: 69.1% in QSEN/NLN categories	Goal Partially Met
EPSLO #2	SBAR: 100% score $\geq 80\%$	Goal Partially Met
	ATI: 69.1% in QSEN/NLN categories	Goal Met
EPSLO #3	Clinical Evaluation Tool: 90% meet expectations	Goal Met
	ATI: Overall Mean 69.1%	Goal Met
EPSLO #4	Clinical Evaluation Tool: 90% meet expectations	Goal Met
	ATI: 69.1% in nursing process	Goal Partially Met
EPSLO #5	Clinical Evaluation Tool: 90% meet expectations	Goal Met
	ATI: 69.1% in QSEN/NLN categories	Goal Met
5.2 On-time Completion Rate	45% of students will graduate within 2 semesters	81% (13/16 students)-Goal Met
5.3 NCLEX Pass rates	80% or greater first-time pass rate	100% (8/8 students)-Goal Met
5.4 Job Placement Rate	85% of students are employed in the RN Role within 4 months of graduation	100% (response rate 15%)-Goal Met
